SUBJECT.

His Official Memorandum No: 3205 / L.F. 29-92 of the 30th August 1892 enquiring why the cost of the repairing the Tambihalli Chattram is recommended to be debited to District Funds.

With reference to the above, has the honor to state that the Tambihalli

Kalli Chattiram lies on the Madras-Cannanore Road, midway between the Kolar and Mudbagal Towns and is located on the banks of the Pinar River. It appears to have been constructed long before the formation of the District out of the savings of the Government Amma-Chattrams, and has no funds to maintain it.

The estimate submitted for sanction provides for such repairs as are urgently required to the building and due provision has been made in the current year's District Fund Budget to meet the outlay.

As the Chattram will serve as a Musaferkhana useful to all classes of travellers, it may well be taken charge of by the District Fund Committee.

Requests therefore that the estimate may kindly be sanctioned subject to the formal approval of the Board which will be obtained at the next meeting.

Sir,

I have the honor to forward for your information the accompanying copies of correspondence as per margin on the subject of a proposal to repair the Chattrum at Tambihalli, Kolar Taluk, from the District Funds.

2. It will be observed that before sanctioning the estimate for the repairs, the Government desire that I should ascertain whether the Muzrai Department would be prepared to place the Chattrum at the disposal of the District Fund Committee for the use of the travelling public.

3. I trust that you will have no objection to arrange for the transfer of the building to the Local Fund Board

as

as otherwise it will go to ruins for want of funds to maintain the same in good order.

4. An early reply is solicited in view to the needful repairs being executed in time to prevent further damage to the building.

Sir,

On the side of the road from Kolar to Mulbagal at a distance of about 7 miles from Kolar there is a large Muzrai Chuttram substantially built. That was probably built there in pre-railway days, apparently for the use of the large number of persons going to Tirupathi &c. Since the opening of the Railway the number of persons using the Chuttram has become less. His Holiness the Guru of the Majigêhalli Matt of the Vyshnava sect stationed at Mulbagal

Mulbagal has applied for a por
of the Chuttram for his use. The
portion is sufficient for travellers.
His Holiness has agreed in writing
to vacate the building whenever
desired to do so, and to maintain
it in order. The Amildar and the
Divisional officer recommend
